JOHN PHILLIPS

Cell: (703)-336-2746 •Jdallasphillips@gmail.com

Professional Objective

Recent University graduate seeking internships or Entry-Level opportunity

Education

University of Colorado Boulder – Boulder, CO, December 2017

- Major: Bachelor of Arts (BA) in Economics
- Minor: Bachelor of Science (BS) Minor in Computer Science
- Cumulative GPA 3.00

Projects

SkiU – University of Colorado, 2017

- The goal of SkiU was to create a platform that could help CU students rideshare to and from the local ski resorts. I was responsible for the websites front-end design, deploying the site to Heroku, and implementing Express.js framework

Personal Website – 2017

- I created my personal website scratch in order to practice my web development abilities and create an online presence. The site was created using HTML5 maintaining a simple design to work on most devices.

QUEST – 2017

- QUEST is a text based choose your own adventure game made in C++. Made to demonstrate my knowledge of data structures the game is designed using a graph, where the shortest path is the solution.

Skills

Coding - C/C++, C#, Python, HTML, CSS, PHP, JavaScript, x86 assembly

Environments and Programs - Linux/Unix and terminal, Windows, MySQL, GitHub, Microsoft Office
